

```
/home/bdn_jz/bdn_jz  
/camera-tracker-cpp  
/CameraTrackerLinux/include  
/Conex.h
```

The diagram consists of a large gray rectangular box at the top containing four lines of text representing file paths. Two blue arrows originate from the bottom of this box. The left arrow points to a white rectangular box containing the text 'string'. The right arrow points to a white rectangular box containing the text 'cstring'.

string
